Challenges			
	Challenge #1	Challenge #2	Challenge #3
Offering Description	Create polaroid shaped frames to showcase your photos	In this challenge, you'll be picking a subject and telling us all about it!	We'll be merging different shapes to create a very cool look!
Offering requirements	<ul style="list-style-type: none"> <li><input type="checkbox"/> Photo style: <b>Flexible</b></li> <li><input type="checkbox"/> # of photos: <b>1-2</b></li> <li><input type="checkbox"/> Recommended offerings: <b>n/a</b></li> <li><input type="checkbox"/> Recommended art kit type: <b>Flexible</b></li> <li><input type="checkbox"/> Recommended fonts: <b>Flexible</b></li> </ul>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Photo style: <b>Shot from above.</b></li> <li><input type="checkbox"/> # of photos: <b>Multiple</b></li> <li><input type="checkbox"/> Recommended offerings: <b>n/a</b></li> <li><input type="checkbox"/> Recommended art kit type: <b>Simple, uncluttered</b></li> <li><input type="checkbox"/> Recommended fonts: <b>Flexible</b></li> </ul>	<ul style="list-style-type: none"> <li><input type="checkbox"/> Photo style: <b>Flexible</b></li> <li><input type="checkbox"/> # of photos: <b>12</b></li> <li><input type="checkbox"/> Recommended Offerings: <b>n/a</b></li> <li><input type="checkbox"/> Recommended Art Kit type: <b>Flexible</b></li> <li><input type="checkbox"/> Recommended fonts: <b>Flexible</b></li> </ul>
Notes	Using a different paper on each frame is a nice touch. If it's from the same art kit, the colors should coordinate well together.	Layout design is clean with minimal decorative detail. You will need images where the subject can be easily wanded or custom cut from the background of the photo.	Minimal digital art needed.
